SUBJECT: RE-ADVERTISEMENT OF PHASE 1 PROJECT

This is to advise the Notice of Intent for the referenced project will need to be re-advertised to include a 120-day response period to comply with federal rules. Please proceed with canceling the current advertisement and amending the necessary project documentation and schedule so that re-advertisement can be issued as soon as possible. Upon completion of the project documents, please forward the revised advertisement and schedule to this office and FHWA for review and approval.
